

Calling all GARDENERS!

Plant a ROW for Middleton Outreach Ministry!

*As you plant your garden this year,
Take a moment to remember those in need.
Would you plant an extra row to show you care,
As you ponder that need with seeds?*

During the summer, many MOM clients do not have access to fresh garden produce. Any “leftover” “veggies” you can share with the MOM Food Pantry will make a difference.

Thank you!
